

BLANC OF BLACK

by Château Cap Léon Veyrin

VARIETALS	100% Cabernet Sauvignon
VINTAGE	2023
REGION	Vin de France, Bordeaux, France
TECHNICAL DATA	Alcohol 13%
APPEARANCE	Very clear, almost transparent, yellow.
NOSE	The freshness is reminiscent of that of a Muscadet, rather than the typical Bordeaux Blanc but also finds a nice tannic structure that gives you a taste of coming back to it.
PALATE	The freshness and liveliness in the mouth resonate like a Hard Rock album and the notes of white peaches dance delicately on the finish like a romantic ballad. A deliciously atypical wine in its shape, texture and fruit.
AGEING	Ageing in stainless steel tanks.
PAIRING	As a general rule of thumb, this Cabernet Sauvignon White will pair well with any white fish and buttery dishes. Generally, seafood is a great match, as long as you don't use too much vinegar and lemon. White meat, like chicken or turkey, is also a winning match for this wine.
ORDER CODE	FR600
