|                |                                                                                                                                                               |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| VARIETALS      | 60% Merlot, 40% Cabernet Franc                                                                                                                                |
| VINTAGE        | 2020                                                                                                                                                          |
| REGION         | Saint-Émilion, Bordeaux, France                                                                                                                               |
| TECHNICAL DATA | Alcohol 14.5%                                                                                                                                                 |
| APPEARANCE     | The wine displays a brilliant, dense, almost black colour with dark purple tones.                                                                             |
| NOSE           | The nose exhibits intense aromas of juicy black fruits, such as wild cherries and blackberries. Elegant floral notes come through, such as peony and violets. |
| PALATE         | Refined tannins underpin a long-lasting, spherical, voluptuous structure, while the flavours linger long, bringing a sensation of freshness and harmony.      |
| AGEING         | 18 to 22 months in 100% new French oak barriques, with 20% of the Cabernet Franc was aged in large oak foudres.                                               |
| PAIRING        | A perfect partner for noble meats cooked with herbs or served alongside savory reductions.                                                                    |
