Poire Williams Eau de Vie

distillerie-hepp.com

VARIETALS	Williams pears
CAPACITY	700ml
REGION	Alsace, France
TECHNICAL DATA	Alcohol 42%
TASTING NOTES	A superb crystalline appearance that unveils the ripe-fruit aromas characteristic of the Williams pear. A nose of exuberant purity, fine density and intense elegance, driven by its signature aromas of very ripe Williams pear. A palate of radiant harmony - complex, delicate and wonderfully rounded, as juicy as could be. An impressive finish with long, lingering length on the palate.
DISTILLATION	Natural fermentation of Williams pears. 22 to 25 kg of fruit per litre of alcohol. Matured for 1 year in stainless-steel tanks.
PAIRING	An exceptional digestif to round off your evenings in style, this eau-de-vie is best served chilled (8 to 10°C) and is sumptuous when paired with a pear sorbet, a delight not to be missed.
