| VARIETALS      | 60% Pinot Noir, 40% Chardonnay                                                                                                                                                                                                                                                                                                                                                                                                                     |                      |
| VINTAGE        | NV                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                      |
| REGION         | Stefan Vodă, Moldova                                                                                                                                                                                                                                                                                                                                                                                                                               |                      |
| TECHNICAL DATA | Alcohol 12.5%                                                                                                                                                                                                                                                                                                                                                                                                                                      | Residual sugar 9 g/l |
| APPEARANCE     | The long-term maturation in bottles offers a soft and a persistent pearling.                                                                                                                                                                                                                                                                                                                                                                       |                      |
| NOSE           | Perfumed and floral character, bursting with ripe red berries, sweet mint and hints of lemon zest and dried herbs.                                                                                                                                                                                                                                                                                                                                 |                      |
| PALATE         | Fine mousse on the palate, showing freshness and precision on the palate.                                                                                                                                                                                                                                                                                                                                                                          |                      |
| AGEING         | The second fermentation takes place in the bottle according to the classic Champenoise method, and the wine ages on the lees for at least 12 months.                                                                                                                                                                                                                                                                                               |                      |
| PAIRING        | A stunning aperitif or ideal partner for light appetizers, oysters, and fresh seafood.                                                                                                                                                                                                                                                                                                                                                             |                      |
