| TECHNICAL DATA | Alcohol 13%                                                                                                                                                                                                                                          |
| APPEARANCE     | Deep and lively ruby color.                                                                                                                                                                                                                          |
| NOSE           | Expressive and highly aromatic, the nose offers a bouquet of crunchy red cherries, plum, and blackcurrant, lifted by elegant floral notes of violet, hibiscus, rose, and a hint of pastry or almonds.                                                |
| PALATE         | Medium-bodied and supple, the palate shows a juicy, energetic core of red fruit alongside fine-grained, velvety tannins. The finish is crisp and linear, accented by fresh mint, black chocolate, and a classic Pauillac graphite mineral undertone. |
| AGEING         | Maturation lasts for 12 months, utilizing 30% new French oak barrels.                                                                                                                                                                                |
| PAIRING        | It pairs beautifully with slow-cooked dishes and cheese boards that match its medium body, fine tannins, and crisp acidity.                                                                                                                          |
