|                |                                                                                                                           |
|----------------|---------------------------------------------------------------------------------------------------------------------------|
| VARIETALS      | 100% Cortese                                                                                                              |
| VINTAGE        | 2022                                                                                                                      |
| REGION         | Gavi, Piedmont, Italy                                                                                                     |
| TECHNICAL DATA | Alcohol 13.5%                                                                                                             |
| APPEARANCE     | Intense straw yellow color.                                                                                               |
| NOSE           | To the nose it has pleasant buttery notes, then pear, peach, tangerine and flint. A delicate but extremely intense scent. |
| PALATE         | The mouthfeel is fresh and bold with a long and lingering finish.                                                         |
| AGEING         | In steel tank with controlled temperature for at least 8 months on fine lees. In the bottle 2 month.                      |
| PAIRING        | Best with appetizers, soups and light first courses, white and red meat, fish dishes, fresh and medium-aged cheeses.      |
| RATINGS        | 3.8<br>★★★★★<br>vivino               |
| ORDER CODE     | IT0657                                                                                                                    |
