| APPEARANCE<br>NOSE<br><br><br>PALATE | Deep ruby red with garnet shades.<br>Remarkably complex nose, with black fruit and balsamic aromas pleasantly toasted and with a certain rustic character.<br>Well-structured in the mouth, succulent and with pleasant tannins which are emphasized by the contribution of quality wood. Powerful and silky. |
| AGEING | The wine is aged for 20 months in new French and American oak barrels. |
| PAIRING | As a highly indulgent, rich and oak-forward Spanish red, it requires exceptionally robust and flavored culinary partners, such as premium game with reduction, old-school wood-fired paella, grilled lamb chops and extra-aged cheeses. |
