Gruñón Garnacha & Shiraz

www.bodegasaltomoncayo.com

VARIETALS	50% Garnacha, 50% Shiraz
VINTAGE	2020
REGION	Campo de Borja, Aragon, Spain
TECHNICAL DATA	Alcohol 15.5%
APPEARANCE NOSE PALATE	Intense purple- red color. The nose opens with a great aromatic intensity of ripe black fruits, blackberries, prunes, black liquorice and spices. The palate is powerful, with big sweet tannins. A creamy mouth feel and a round, long and silky finish make Gruñón a very personal and distinctive wine.
AGEING	The two varieties are vinified separately in stainless steel tanks, with the only Shiraz exposed to a whole-bunch fermentation. A core hallmark of this wine is that it does not spend any time in oak barrels.
PAIRING	With its robust alcohol content and massive dark fruit notes, Gruñón matches well with intensely savory, meaty profiles.
